

All Mixed Up!

This activity promotes reading, spelling and fun while signing the names of items around the house. The ASL signs used for this activity are taught on *Signing Time Series Two, Volume 8: My House*.

Instructions:

1. Cut out the labels (below).
2. While your child is in another room, place or tape the labels on the wrong items (i.e. "rug" label on the refrigerator).
3. Have your child go around the house and place the labels on the correct items.
4. Depending on your child's ability, have them sign each vocabulary word, or sign *and* fingerspell the word, too.

Refrigerator

Freezer

Stove

Sink

Sofa

Rug

Table

TV

Toilet

Bathtub

Shower
